For Payer/Borrower

The information in boxes 1 through 9 is important tax information and is being furnished to the Internal Revenue Service. If you are required to file a return, a negligence penalty or other sanction may be imposed on you if the IRS determines that an underpayment of tax results because you overstated a deduction for this mortgage interest or for these points, reported in boxes 1 and 6; or because you didn’t report the refund of interest (box 4); or because you claimed a non-deductible item.
